## Ex. 5 Deliberative Process (DP)

Attached are:

- WA 2-14 dated March of 2019....I guess I am stuck in the past!
- WA 3-14 that started showing the wording we now have/use was dated September of 2019...
- WA 4-14 with my suggested edits that I sent yesterday evening

Again, sorry for the confusion.

Hi Gino,

Would a quick call right now work? Hopefully others can join in. If it is fine, I'll send out a Skype invite.

Cory:

Thank you very much for putting this together...I do understand it needs to go out soon, but I do have a few questions and would be available either late today or tomorrow morning (I would have to join a call while I am in a car – have to clean my son's college dorm room between noon and 2 pm....would be available between 8 and 11 am in the car).

See if my comments on the word document (attached) make sense.

Hi Gino,

We are looking to get the SoW and IGCE for WA 4-14 into EAS and get the Battelle process going.

Could you look over these documents and provide comments?

Thanks,  
DST

**EMAIL TYPE:** Review, Questions

Hi Seema and Cathy,

The DST has been working on the contract for Battelle support for systematic review and ATAEP1 processes. We support from Kristan, we have put together a SoW and IGCE, and thus have a dollar figure ready for WA 4-14.

## Ex. 5 Deliberative Process (DP)

At this time, the most important question is (iii). If these documents are not complete, no other step will be important.

Cathy: As the DST management lead, would you be willing to look over the SoW and provide feedback?

Thanks!  
Cory

## Ex. 5 Deliberative Process (DP)

Attached are the “draft final” documents. (I was not able to directly save updates to the shared file from Gino – sorry for another copy). Let’s try to move this out today. I can meet again this afternoon if people need.

Thanks,
